Dear Corporate Sponsor

November 16, 2023

As a member of the Chester County business community, ACT in Faith is reaching out to you with the hope that you will consider supporting our efforts to empower the un- and under-employed. Our goal is to stabilize their households and help them build towards self-sustainability. In appreciation for your support, we will publicize your business as our partner and sponsor.

ACT in Faith has become a relied upon-resource for both the community and area service agencies whose scopes do not meet all needs. We collaborate daily with both County and local non-profit social service/resource agencies, from which 75% of new client referrals came in 2022. These collaborations not only help provide more holistic support for households but build a stronger community network.

To ensure we can continue to be the much-relied upon resource that we have become, we rely on the generosity of corporate sponsors, faith communities and individual donors. By preventing evictions, providing employment support, and eliminating food insecurity, ACT in Faith and our sponsors have a positive impact on individual households and the greater West Chester community.

As a 2024 annual sponsor, we will publicize your partnership in accordance with your sponsorship level.

Please review the enclosed Annual Sponsorship chart and consider becoming a sponsor for January 2024-December 2024. Sponsorship payments can be mailed to the address above. If you have any questions, or for more information, please call Hallie Romanowski at 484-324-8492 or email her at hallieromanowski@me.com.

Your support and commitment will help change lives in our community.

Many thanks.
